

CS1555  
Boutique Coffee Project  
Phase 1

- Brian Hutton
- Breanna Burns
- Uday Atragada

- Assumptions:
- A purchase can only come from one store.
  - A customer can only place one order at a time but all orders are recorded.
  - Multiple coffees can be promoted during a promotion.
  - One type of coffee can be in multiple stores.
  - Multiple stores can have many different kinds of coffees.
  - Every time a purchase is made, several coffee's may be in the purchase.
  - Each type of coffee can be in any purchase.
  - Only customers who are members of the loyalty program receive the 10% increase in total points earned on their birthday.
  - Although customers can have any of the specified phone types, only one phone number and type will be recorded in the database.
